● Smart tooth care

No harm to gums

The Ultrasonic Tooth Scaler does not work when it touches soft tissues such as gums. It only works on hard objects.

● Adjustable intensity

Soft Mode

Suitable for novices, gently remove tooth stains

Comfort Mode

Removes stubborn tartar such as tobacco stains, coffee stains, tea stains, etc.

Strong Mode

Remove calculus, Clean teeth more powerfully

● Automatic shut down in ten minutes

Protect your teeth

Scientific cleaning time, automatic power-off protection

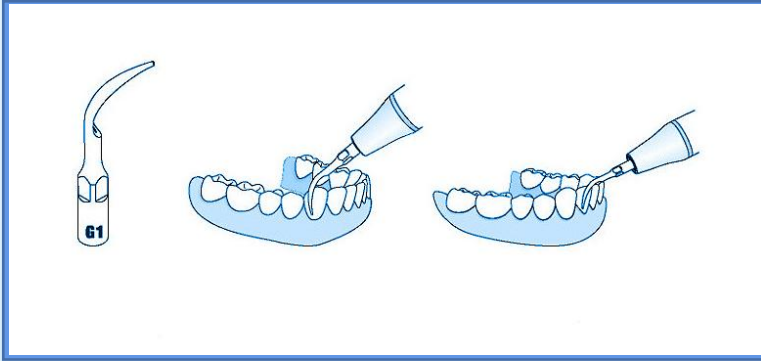

Automatically stop after 10 minutes
