# Product Market Chance

Sales Date Trends Show the Demand of Electric Nail Drill has been Risen Sharply

# Market Research User Feedback and Focus

---

- Plug-in Type is not convenient to use and needs to be powered on all the time
- Easy to Carry, and ready to use anytime
- Whether it could be removing cleanly
- Whether it could be used for a long time or not
- Comfortable design could handle and hold it better

# Product Advantages and Unique Selling Points

- Low to high vibration speed easy to adjust
- No Eccentricity Problems, Intelligent Heat Dissipation, Use Excellent Brass Bearing Innovation Technology
- ABS plastic material, very light
- Different nail bits to meet your needs
- Portable, Varieties of Accesories satisfy Different demands
- With different color for you choice

➤ Innovative、 Portable Design

Portable with Handbag、 Smaller than Phone

- Adjustable Rotation  
For Different Users' Hands Habits

You will find the best Convenient using way

Positive Steering

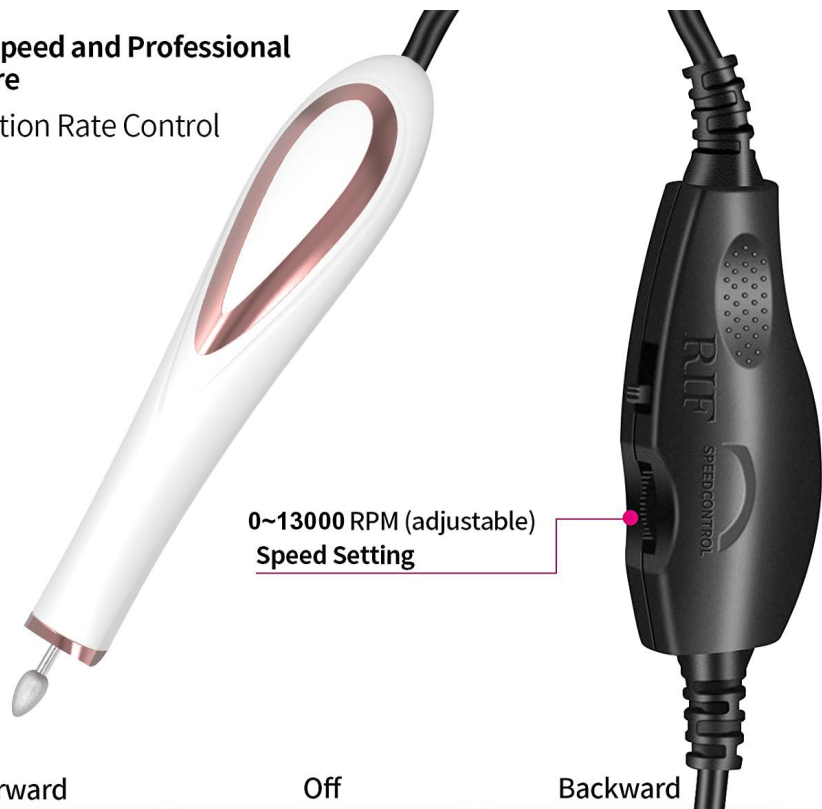

Negative Steering

# Details-Power & Bottoms Tips

Adjustable Speed and Professional Pedicure Care

Heat Dissipation Rate Control

0~13000 RPM (adjustable)  
Speed Setting

- Positive and negative button
- Level key

Forward

Off

Backward

Details- Low noise and Easy to carry

➤ With Low Noise

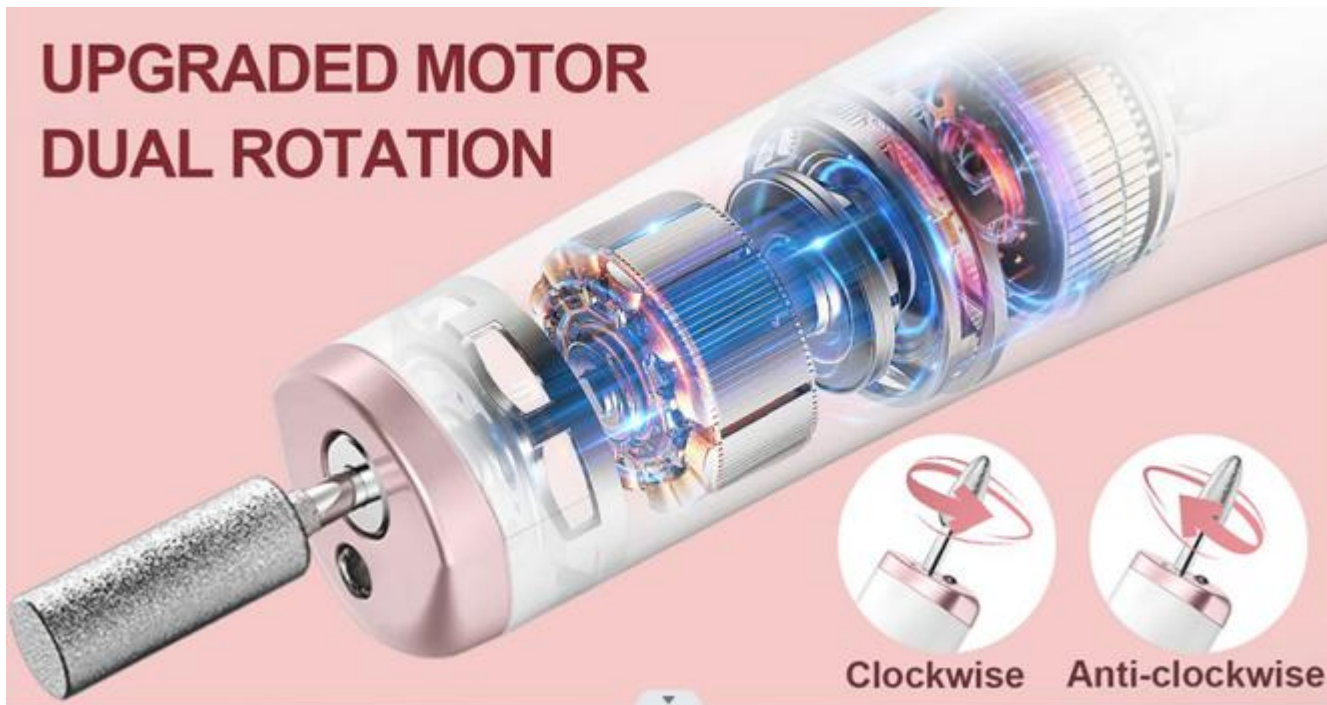

➤ Multi-Charging Way (USB Cable)

## UPGRADED MOTOR DUAL ROTATION

- Innovative technology for brass bearings  
No eccentricity problems, no bouncing and vibrating nail polishing 、 Intelligent heat dissipation
- Compact motor reduces the interior space and creates an ergonomically designed appearance

**Effective and Easy to Use**

 <p>Before</p>	 <p>After</p>
 <p>Before</p>	 <p>After</p>

Natural Packing: 6 nail bits, 6 sanding bands, 1 dust cover

You also could choose:

Acrylic Nail bits

Dust Brush

Bag

# How To Use

## STEP1

Choose the drill head you want and plug in.

## STEP2

Connect the power cord with nail drill handpiece.

Start to polish your finger nails.

# Parameter

Product	Model	Power	Charging Time	Working Time	Accessories	Cable	No-load Rotate Speed
Electric Nail Drill	RB-015F	5V 1A	1.5± hours	5± hours	11 nail bits	DC jack	0-20000RPM

# Comparison

Portable	Yes	Yes
Heat Dissipation	Use the thermal conductivity of copper to achieve better heat dissipation	No
Vibration Reducing	Upgraded Structure	No
Rotating Speed	Speed to 20000RPM±10%	low speed
Nail bits	11 pcs accesories	6 pcs accesories

## Package Details

Product Size	146*32*30mm
Unit Box Size	217*126*38mm
PCS/CTN	48Pcs/Carton
CTN Size	450*325*390mm

CE

ROHS

FCC

MSDS

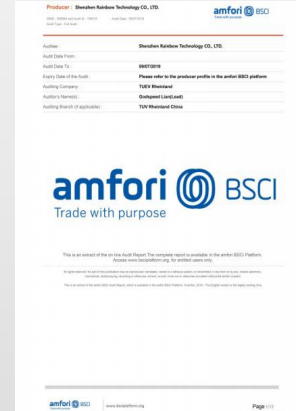

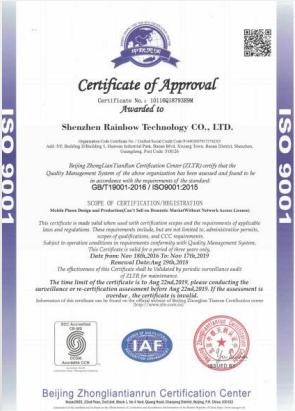

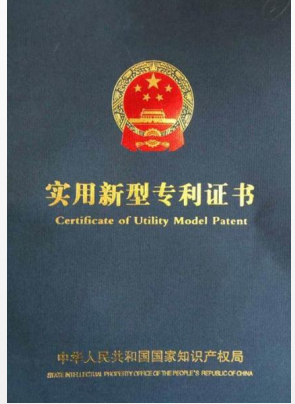

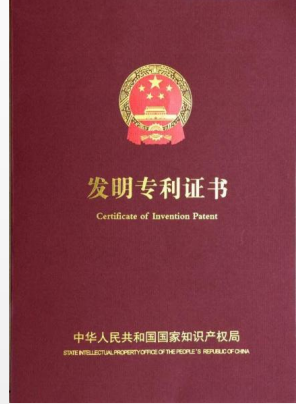

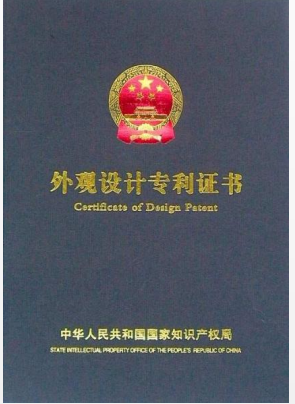

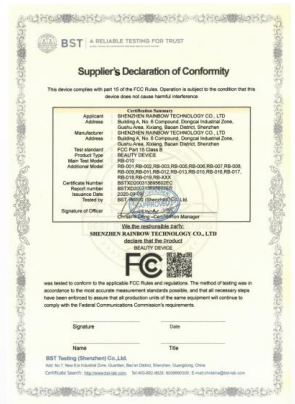

UN38.3

# COMPANY PROFILE

Shenzhen Rainbow are an original manufacturer:

- With BSCI /ISO9001
- Professional in OEM & ODM, with our ID department
- Free ODM service, with free samples for evaluation

# OEM & ODM

We are Manufacturer which has over 9 years experience in ODM and OEM

If you want special deisgn, Rainbow will serve you, beacuse we have our own ID Project Engineer
